Office Memorandum • UNITED STATES GOVERNMENT

TO : General Counsel

DATE: 26 January 1949

FROM : Acting Chief, Supply Division

SUBJECT: Proposed cancellation of Unnumbered Contract,
Purchase Order No.

STATINTL

There is submitted herewith for review and an opinion the subject order and contract with collateral papers covering the installation of an intercommunication system in the amount of \$988.00, which this office has declined to accept inasmuch as it is no longer required.

From a review of the file, it may be noted that the Contractor has responded to our request that he execute a formal release with an offer to settle for the price of the equipment in lieu of the full amount of the contract. Your opinion is requested as to whether the Government, (1) is required to settle the matter on the Contractor's terms; (2) may properly abandon the contract; (3) take counteraction of a legal nature with a view to further minimizing the Government's loss.
